CHURCH ON THE HILL by Pastor Fred French *"...I will send My fear before you..and will make all your enemies turn their backs to you..Little by little I will drive them out from before you, until you have increased, and you inherit the land." Exodus 23:27-30*

If you are like me, you make a mental note of an author's name, when you read something impressive they have written. I have read The Daily Bread devotions for many years and have grown very fond of some of their writers. One such contributor was Joanie Yoder. She had been a missionary working with her husband Bill, who passed away in 1982. Joanie had a history of emotional turmoil with the loss of a child, as well as her husband. She had terrible bouts with depression and fear, and drug dependence. But her life changed dramatically when she discovered what she called the God-dependent life.

Joanie went to meet the God she came to trust in so deeply in 2004. In 2006, a collection of her Daily Bread devotionals was published with the title 'God Alone.' One of those devotions is titled 'Little By Little.' In it she told of a story in a Primer her mother gave her when she was learning to read. A little boy was shoveling snow with a small shovel and a man watched him at his enormous task. 'How can someone as small as you ever finish a task as big as this?,' he asked.

'Little by little,' he replied, getting back to his work. Joanie wrote that a time came in her life when she was recovering from a breakdown and her 'adult self' taunted the 'weak child' within her, 'How can someone as inadequate as you expect to surmount so great a mountain as this?' 'The little boy's reply became my reply,' she wrote, 'Little by little, that's how!' And she did recover by depending on God, with one small victory after another.

God promised the land of Canaan to Israel, but their conquest would not be overnight. It would be 'little by little' over a period of about seven years. No matter what obstacle we face in life that seems insurmountable, it is comforting to know, that little by little, we can overcome it when we cast all our worries and fears on an all-powerful God.

4th of JULY “BLAST” COMMITTEE

By Stephanie Ewig

First and foremost we would like to thank all our volunteers for their timeless efforts they gave to make this July 4th “Blast” better than last year. The golf tournament went well but no one won the 2016 Buick Enclave. The children’s games and cake walk were a hit and the fireworks were the best ever.

We would like all our friends, neighbors, supporters as well as our loyal businesses to know that we had to change our donation from Mohave County Sheriff’s Office K-9 Unit to Mohave County Sheriff’s Search and Rescue. Reason being that as of this writing the Sheriff’s office does not have any K-9’s or officers in the unit. We will not donate the money to Kingman’s K-9 Unit as they are financed through the city and do NOT service Valle Vista but Search and Rescue does. We will still be making a donation to Northern Arizona Consolidated Fire District. We all need to support any law enforcement division that services Valle Vista and that means the Mohave County Sheriff’s Office.

We are all on a well deserved rest for the winter and hopefully some of you will consider being a part of next year’s committee.

Thanks again to everyone who sacrificed their time and effort.

Jean's Corner

Fall colors everywhere you look: even a hint of cool in the evening! This summer is over. Amen. The older we get the hotter the summers seem. Maybe it is senior citizens personal global warming. Soon I will be able to play golf. Yippee. Fair weather golfer is my middle name. I can't wait to swing a club again. Only played twice all year. Both time 9 holes. I think a perfect golf day is play 9 holes, nap, eat, play another nine. It is playing 18 all together that beats me up. Maybe I will see you out on the

greens, sure hope so.

Now it is time to pull out the witches, ghosts, and goblins. Put them out to scare off the evil spirits. Now if there were only a spell for Grumpy Old Men. Hmmmmmm.

I think we need to come up with an indoor play day for when they cannot play golf outside. I think we need a shuffleboard table at the clubhouse. The guys could have tournaments. So could the gals; even mixed doubles! Just food for thought. Happy October Jean

Library News

by Diane Druian

Library events take place at Mohave County Library in Valle Vista at 7264 Concho Drive, Suite B. All Mohave County Libraries will be closed on Monday, October 11 for the Columbus Day holiday.

On **Saturdays from 1 to 2 p.m. in the Kingman Public Library**, kids and teens are invited to join **Cartooning Club**. The Club meets at the booths in the youth area of the library to practice drawing comic strips, comic books, and to learn how to publish a web comic. This activity is free of charge. For more information call 928 692-5767 or visit www.mohavecountylibrary.info.

At press deadline, no children's program had been scheduled for October at Valle Vista. Watch the library's signboard or call the library to check for programs that may have been scheduled since then.

On **Thursday, October 20th at 4 p.m. adults meet for a Fall Craft Program** to decorate canvas tote bags, perfect for carrying books or DVDs back and forth from the library. Supplies will be provided free and everyone takes home the finished project.

Save the date! **The Friends of Valle Vista Library** have scheduled the **Fall Book and Bake Sale for Saturday, November 5th from 9 to 2**. Our amazing bargain prices for books, audio books, music CDs and movie DVDs will be repeated at this sale: \$1.00 a bag or \$2.00 for a box. And there will be a delectable selection of baked goods available for purchase.

We are looking for volunteers to assist with the sale, please. Helpers need to be able to lift boxes weighing twenty to thirty pounds from shelves in our shed onto a trailer and then onto tables in the parking lot. And, at the end of sale, the remaining books need to be returned to the shed. Set up begins at 7:30 a.m. and tear down begins at 2 p.m. If you can't work both in the morning and afternoon, perhaps you can help with just one of our moves. Please come complete volunteer forms at the library so that you will be covered by insurance while helping at the sale. If you helped us this Spring, we will have your volunteer form on file but please let Kelly at the library know that you are available to help once again. Thank you for making our book sales possible!

We will be looking for you at the library this month. Check out an audio book to listen to as you pull those pesky weeds. Or check out a movie or a DVD of a TV series you may have missed. Or enjoy Downton Abbey all over again. Use the library WiFi with your own computer or use one of the library's public access Internet computers. Come make a tote bag with us. There is always a lot to do at the library.

Mohave County College Library News

On Thursday, October 13, 2016 at 7:00 P.M. the Mohave Community College Neal Campus Kingman Library will host Allen Dart, Registered Professional Archaeologist, for an event in Building 300, Room 303. Mr. Dart will be presenting "Archaeology's Deep Time Perspective on Environment and Social Sustainability," which will examine the deep time perspective that archaeology and related disciplines provide about natural hazards, environmental change and human adaptation. This perspective is a valuable supplement to historical records and can help modern societies make decisions affecting social sustainability and human safety. Examples include scientific evidence that virtually all prehistoric farming cultures in Arizona and the Southwest eventually surpassed their thresholds of sustainability, leading to collapse or reorganization of their societies; and archaeological and geological evidence of ancient earthquakes and tsunamis that should have been acknowledged when designing nuclear power plants damaged by the 2011 Japanese tsunami.

Please join us for a fascinating evening at this free event made possible by Arizona Humanities.

Did you know? The Library holds a monthly story time tailored to children two to six years old. This month we will be reading *Madeline* on Saturday, October 1 at 11:00 A.M. in the Library. Parents or caregivers are required to accompany children and are also encouraged to participate. Hope to see you there!
