Valle Vista....just South of Heaven and North of Kingman

The Veteran's Wall is filling up with more and more names. If you or a loved one would like yours or their name on the Wall, contact Jim Kindell, Marc Milosovich, Monte Wilson or Lee Barnes.

The only qualification is you have to be a Veteran, alive or passed. The cost of \$7.00 covers having the plaques engraved and shipping. "No Charge" to World War II Vets or to Widows of Veterans.

What we need;	Example
Veteran's Full Name	John A. Smith
Branch of Service	U.S. Navy
Years Served-Where served	1935 to 1939 Pacific Fleet

Drop this information to the Club house office at Valle Vista with your payment of \$7.00 to Vicki or Julie and they will get it to me.

This is to honor all our veterans living or passed. The people doing the work on this are all volunteers and take nothing for this, except to honor our veterans. Thank you.

This year our entire family will be giving thanks that the hurricane that hit Florida missed our kids. Our granddaughter and her husband and our two wonderful great grandchildren, Sadie Grace, 1, and her big brother Greyson Scott, 3. They live in Gulf Breeze which is about 93 miles from the eye of the storm. Needless to say, we watched the weather station nonstop for two days. My heart goes out to all the people who were in the storm and the ones who lost everything. When I spoke with my granddaughter as the storm hit, she said the winds where they live were about 25 miles per hour. I told her a lot of people here would be playing golf in that wind. Just another day here.

Now down to serious business. Have you eaten all your Halloween candy? My husband always trick or treats our house 3 to 4 times during the evening. I have to give him candy or he has threatened to toilet paper the house and you know how expensive T.P. is! Did you go to the craft show? Some really pretty things there. I did not make the book and bake sale this year. Darn. But there is always next year.

Soon it will time to cook Mrs. Turkey. Love them eats. Yummmmm. Happy Thanksgiving. Jean

CHURCH ON THE HILL by Pastor Fred French

'.. You formed my inward parts; You wove me in my mother's womb. I will give thanks to You, for I am fearfully and wonderfully made...' Psalm 139:14

I came across some facts about how fearfully and wonderfully our human bodies are made that I wanted to share with you. The average human heart pumps over one thousand gallons a day, over 55 million gallons in a lifetime (enough to fill 13 super tankers). It never sleeps, but beats 2.5 billion times in a lifetime.

The lungs contain a thousand miles of capillaries, and the process of exchanging oxygen for carbon dioxide is too infinitely complicated to explain.

Our DNA contains about 2000 genes per chromosome, and almost 6 feet of DNA are folded into each cell nucleus. A nucleus is .000024 inches long. This would be comparable to putting 30 miles of fishing line into a cherry pit. And it isn't simply stuffed in. It is folded in. If folded one way, the cell becomes a skin cell, folded another way a liver cell and so on. To write out the information in one cell would take 300 volumes 500 pages thick. Our bodies each contain enough DNA that if it were stretched out, it would circle the sun 260 times.

Our bodies also use energy efficiently. If you were to ride a bike for one hour, you would use the amount of energy contained in 3 ounces of carbohydrate. If a car were this efficient with gasoline, it would get 900 miles to the gallon.

Facts about us of this sort are difficult to accept as being the product of chance evolutionary development. How could any of this makeup of the human body not be present in creatures at different times in ages past, as evolution would have us believe? The proposed millions of years of evolution seem much more difficult to accept than the wonderful design of an infinite perfect Creator.

We invite you to come to our Thanksgiving Service on Sunday November 25th. King David wrote that he would give thanks for being fearfully and wonderfully made.

Come and give thanks with us.

Library News

by Diane Druian

All Mohave County Libraries will be closed on Monday, November 12th to observe the Veterans Day holiday. Normal open hours will resume on Tuesday, November 13th. The Mohave County Libraries will close at 5 p.m. on Wednesday, November 23rd and will be closed all day on Thursday, November 22nd for the Thanksgiving Day holiday. Normal open hours will resume on Friday, November 23rd.

Thanksgiving inspires us to offer an amusing **turkey craft involving coffee cans**. **Come to the library at 4 p.m. on Thursday, November 8th** to enjoy creating a silly turkey from a coffee can, felt, chenille stems of all colors and the ever-important googly eyes. All supplies are provided by the library and each crafter takes home the project to enjoy for the holidays.

The Friends of Valle Vista Library thank all our helpers and customers who made our Fall Book and Bake Sale a success despite rainy weather. We are grateful to our bakers and to those who donated books. We appreciate all those who helped set up and take down the sale and those who helped customers outside in the messy weather. We especially thank Don and Marlene Leggett for providing the tables and an efficient way to transport the books to the tables. And thank you to those who gifted the Friends with money donations as well as buying our used books and delicious breads and cookies.

As we enter the busy holiday season, don't forget to provide yourself some quiet time with a good book from the library. Or come to use the Public Internet computers or use your own computer with the library Wifi network to get some interesting ideas for crafts or special recipes to make your Thanksgiving and Christmas holidays unique. We'll be happy to see you at the library in November.

We are a jeep club and we are located here in Valle Vista. There is a meeting every Tuesday at 7PM at the club house. It is an open meeting and all are welcome to attend.

If you are interested in joining our group, we do have a few requirements.

> Have access to a 4x4 vehicle with appropriate tires.

> Attend the meetings as often as you can.

> Leave the drama at home and be prepared to have fun.

We try to go on rides every week. We are not rock crawlers and don't want to break our rigs.

Typically bring our lunch and stop somewhere (usually scenic) and relax for awhile.

There are some very cool and beautiful sights to see out there and with a group of friends.

What better way is there to enjoy them? Hope to see you at the next meeting!

We are very safety minded

Community Events Committee

By Don Leggett

October is behind us and we hope that everyone had a fun and safe Halloween. We want to thank all of those who helped out at the party and donated candy.

Our annual Christmas Parade and Party will be on Saturday December 8. As in years past, the parade will circle around the golf course, crossing in front of the clubhouse. We are looking for entries into the parade. If you would like to enter your decorated car, boat, RV, motorcycle, golf cart etc., then be sure to sign up at the clubhouse or call any member of the Community Events Committee.

Bunco will be on Monday, November 5, @ 7:00 P.M. at the clubhouse. Bingo will be held on Monday, November 26, @ 7:00 P.M. at the clubhouse.

Our next meeting will be on Wednesday, November 14, @ 6:30 P.M. at the clubhouse. We are always looking for new people and ideas. Come and join us at our meeting. For more information contact Karin Stephan 692-6750 or Marlene Leggett 681-2612.
